STATUS INQUIRY

Dear Sir:

Please be advised that the above-referenced National Phase Application was filed July 14, 2006. This application is a National Phase of PCT/SE2005/000036, filed on January 17, 2005.

It is over one year ago and we have not received a Filing Receipt for this application. We have received the postcard in which is clearly indicated that it was received by the USPTO on July 14, 2006 and accorded Serial No. 10/586,122. Copy of postcard is enclosed.

Several phone calls have been made and we are always told that it is normal to wait this long for the filing receipt. We believe that over one year is no longer "normal". We have received no documentation or correspondence from the USPTO on this application. Applicant respectfully requests a status update on the subject application.

Respectfully submitted,

James J. Murphy
